

Ghana 2018

Equipping the Christian – Encouraging the Church – Evangelizing the World

17-Day Team: March 30th to April 16th

eTeams Ghana is a short-term missions opportunity to witness and work for the Lord in Ghana Africa. It is an authentic cross-cultural missions opportunity that doesn't involve having to learn another language to be effective. After cultural orientation and evangelism training the team is involved in a concentrated program of evangelism and ministering to Ghanaian believers and the Assembly.

The Purpose

The ultimate purpose for the team member's involvement is that the Lord Jesus Christ will be glorified in them and through them. This should be achieved in the following ways:

Team members will grow in grace and knowledge of the Lord Jesus Christ through:

- 1) trusting in Him to provide for all their needs*
- 2) the discipling and daily team Bible study*
- 3) living and working closely with other team members and national Ghanaian believers*

Team members will be used of the Lord to help build up the local assembly through:

- 1) fellowshiping with Ghanaian believers and encouraging them in their own walk and witness*
- 2) participating in the host assembly with singing, testimonies, and Bible teaching*
- 3) presenting the Gospel that Ghanaian people might be saved, baptized and added to the assemblies*

Team members will become a more effective witness for Christ through:

- 1) being taught the message of the Gospel*
- 2) being trained in various methods of evangelism*
- 3) gaining experience by actively participating in direct evangelism using these various methods*

These Short Term Missions have produced Long Term Results for the work and witness in Ghana and in team members' lives and the lives of their home assemblies when they return.

Glorifying God by enabling & equipping Christians to effectively cross cultures, encourage the church and evangelize in English.

Mondays to Saturdays the team will start each day with personal quiet time, a team Bible study and prayer time followed by the daily evangelism schedule. The methods of evangelism might include door to door, literature, open air, children's, and personal evangelism, with this most mornings we will spend visiting schools to do an evangelism program while most evenings will include a nightly gospel presentation through the use of Christian videos. There will also be time each week for personal team activities i.e. laundry, house cleaning, etc.

Team Touring & Sight-Seeing

There will a time scheduled to go to Cape Coast and enjoy 2 days by the seaside while enjoying the sights of the slave castle and National park nature canopy walk.

How Much Will It Cost?

Each team member is responsible for raising sufficient funds to cover their share of the team costs. This amount will cover all aspects of the team program including the orientation & training, accommodation, meals, team transportation, sight-seeing, ministry and gospel materials, as well as fellowship gifts to local workers & missionaries involved with the team. In addition, the team member needs to raise sufficient funds to cover their airfare.

Team Cost: \$1000 US or \$1250 CAN

*The cost per person **does not include** travel costs to and from Ghana Africa and personal expenses such as: health insurance, personal sight-seeing and transportation, souvenirs, gifts, personal items i.e. toiletries, clothes, stationary and postage, etc.*

Is This for Me?

- It is** *if you are 18 or older (even much older); in good health and able to keep up to the strenuous program of discipleship and evangelism; able to live at close quarters with others and esteem others more than yourself; willing to take the place of a servant and a learner and accept leadership; someone whom your elders will recommend for this short-term missionary work.*
- It is** *if you want to experience God working in and through your life. You will be exposed to a mission field that qualifies in every sense of the word yet one where you can communicate the Gospel in your own language. You can be useful and effective even in the short-term.*
- It is** *if you want to meet, live and work in fellowship with other Christians from around the world and to enjoy the experience of trusting God together; to experience the encouragement and support of a team; to have friendships formed and cemented that will last for eternity.*
- It is** *if you are willing to respond to Christ's call to go into all the world with the Gospel and to give up those things necessary to share His love and His salvation with Ghanaian people today.*

What Now?

After prayerfully reading and considering this information if you believe the Lord would have you get involved with eTeams, **share this vision with your local church elders.**

The pattern for the sending missionaries that we have in **Acts 13:1-4a** is a good one because as you will see in verse 4a, the Holy Spirit personally is identified with the process. It starts with the individual believing this is something the Lord might have them do; continues with them sharing this with their local church leadership desiring their counsel and prayer; that leadership confirming it in response to the Holy Spirit's direction; and concludes with the leadership and local assembly identifying with the individual and their mission by becoming partners in the gospel.

REMEMBER: your elders (church leaders) want to see you succeed spiritually.

You will need the prayerful support of your elders and home church if you are going to be the most effective missionary you can be. If they agree with your desire to be involved with this short-term missionary experience, complete the application form online or download it and return it to us.
